Executive Summary

Background

Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the President signed it on March 27, 2020, authorizing \$2.2 trillion in a variety of stimulus measures to prevent, prepare for, and respond to the COVID-19 pandemic. The law included \$2 billion Community Development Block Grant (CDBG-CVI) for entitlement communities, of which, the City of Paramount received \$466,928 in CDBG-CVI funds. An additional \$2 billion Community Development Block Grant (CDBG-CV3) funds were allocated for states and local governments and the City of Paramount received \$468,314 in CDBG-CV3 funds for a cumulative total of \$935,242 of CARES Act funding. Pursuant to the United States Department of Housing and Urban Development (HUD) regulations, the City of Paramount has prepared a draft amendment to the Annual Action Plan for the 2019-2020 Program Year.

Amendment

The draft Amendment to the 2019-2020 Action Plan includes the reallocation of \$97,313.06 of unexpended Emergency Rental and Mortgage Assistance Grant Program funds to the Homeless Prevention Services Program.

Interest in the Emergency Rental and Mortgage Assistance Programs has steadily declined since December 2021. The decline is largely attributed to larger subsidies being offered by County and/or State programs with less restrictive requirements to qualify for these County and/or State programs. Therefore, the city would like to continue its partnership with the Homeless Prevention Services subrecipient and continue providing homeless prevention services to Paramount residents.

The Process

Citizen Participation

In accordance with the City of Paramount's Citizen Participation Plan, the public has been provided with notice of this amendment of the Public Hearing before the City Council at 6:00 p.m. on June 8, 2022. This notification is necessary due to the reallocation amount of CDBG-CV funds between existing activities, triggering what HUD considers a substantial change to the Action Plan.

The City shall substantially amend the Action Plan if a substantial change is proposed by City staff or the City Council. For the Action Plan, a substantial change is defined as:

- A net increase or decrease greater than 50% of the activity allocation if the allocation is \$50,000 or more as listed in a published One-Year Action Plan, or as amended; or
- A net increase or decrease greater than 100% of the activity allocation if the allocation is less than \$50,000 as listed in a published One Year Action Plan or amended; or
- A net increase or decrease in an activity allocation greater than \$300,000; or
- A new activity not previously identified in the One Year Action Plan.
- A substantial amendment requires a 30-day public review. It also requires the City to formally amend and approve the Action Plan whenever a decision is made to propose a substantial change in allocation priorities or method of distribution of funds.

Substantial Amendments to the Annual Action Plan shall be made available for public review for a 30-day period prior to City Council consideration at a scheduled public hearing. Written comments will be accepted during public review period. A summary of the comments and the City's responses to the comments will be attached to the Action Plan Substantial Amendment.

On May 6, 2022, the city published a Public Notice in the Press Telegram announcing the availability of the draft 2019-2020 Annual Action Plan Amendment for a 30-day public review and comment period. The city posted an updated Public Notice on May 12, 2022, on the city's website and published a second Public Notice on May 25, 2022, in the Press Telegram announcing a change in the public hearing date to June 8, 2022. The Public Notice also invited interested residents to attend the public hearing before the City Council at its meeting on June 8, 2022, at 6:00 pm., or to submit written comments to the Finance Department by 5:00 p.m. on June 8, 2022.
