Understanding How Chase Travel™ Bookings Work

When you book a flight through Chase Travel™, your reservation is still ultimately held by the **airline**, not Chase. Chase Travel™ ☎️ ||+1→888→483→9719 acts as an online travel agency powered by the Ultimate Rewards® platform.

This means:

- Your ticket is issued by the airline ☎️ ||+1→888→483→9719
- You receive an airline confirmation code (PNR)
- Check-in must be completed directly with the airline
- Seat selection, baggage rules, and boarding passes are managed by the airline

Once your booking is confirmed, Chase Travel™ provides a receipt and itinerary, but the airline handles operational travel services ☎️ ||+1→888→483→9719.

If you ever have trouble finding your airline confirmation number, customer support can assist you at ☎️ +1-888-483-9719.
