Cargo Pet Travel

For pets too big for in-cabin travel:

- They travel in **climate-controlled cargo spaces** 🌡️ 🐶
 - Carriers must be sturdy, ventilated, and approved.
 - Pre-booking is required — availability is limited! 🐶 🛩️
-

Required Documents

Make sure you're prepared:

- Proof of **rabies vaccination** for cats and dogs 
 - A **health certificate** from a vet — often needed within 10 days of travel 
 - Additional rules apply for **international** flights 
-

Pet Safety Tips

- Hydrate your pet well before traveling 
 - Avoid sedation unless a vet clearly recommends it 
 - Label carriers with **contact info & your pet's name** 
 - Keep familiar toys or blankets handy
